

View your current what3words address

1. Open the what3words app and tap the Locate Me icon  to find your current location.*

2. The what3words address will display at the top of your screen.

*Please wait for the blue dot to stabilise to ensure you have the most accurate what3words address. The location accuracy is dependent on your device's GPS signal, which can be imprecise and constantly updating. It will be more accurate when you are outside with a clear view of the sky.
