

# Change language

1. Tap the menu icon  in the top corner of your screen.

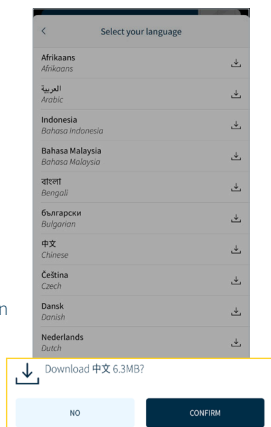

2. Tap Settings followed by **Language** then **Primary 3 word address language**.

3. Select the language you need and, if prompted, download the language pack.\*

On Android devices, you'll need to restart the app once you've added a new language. On iOS, no restart is needed.

\*Switching to a language other than English (UK) involves a small download, which contains the language pack.
